ABOUT US

The Jewish Woman Entrepreneur (JWE) is a national nonprofit organization that empowers Jewish women in business, leadership, and professional development. Whether you're building a business, leading a team, or launching your next big idea, JWE is where Jewish values and real-world ambition meet.

Founded to fill a unique space in the business world, The JWE brings together women from across industries and backgrounds, CEOs, creatives, founders, and professionals, who are driven to succeed and anchored in community.

OUR MISSION

The JWE provides women with the resources and connections they need to achieve their personal and professional goals. Through high-level events, business education, community, and mentorship, The JWE cultivates financial independence, improving the lives of the women we support, their families, and the Jewish community at large.
